MLA list of works cited – Citing Images
Information on this guide is from Research and Documentation Online, 5th ed.

MLA list of works cited

An alphabetized list of works cited, which appears at the end of your research paper, gives publication information for each of the sources you have cited in the paper. Include only sources that you have quoted, summarized, or paraphrased. (For information about preparing the list, click here; for a sample list of works cited, click here.)

The guidelines presented here are consistent with advice given in the MLA Handbook for Writers of Research Papers, 7th ed. (2009).

Work of art
Cite the artist’s name; the title of the artwork, italicized; the date of composition; the medium of composition (for instance, “Lithograph on paper,” “Photograph,” “Charcoal on paper”); and the institution and city in which the artwork is located. For artworks found online, omit the medium of composition and include the title of the Web site, the medium (“Web”), and your date of access.

Cartoon
Give the cartoonist’s name; the title of the cartoon, if it has one, in quotation marks; the label “Cartoon” or “Comic strip”; publication information; and the medium. To cite an online cartoon, instead of publication information give the title of the Web site, the sponsor or publisher, the medium, and your date of access.

**Advertisement**
Name the product or company being advertised, followed by the word “Advertisement.” Give publication information for the source in which the advertisement appears.

**Map or chart**
Cite a map or a chart as you would a book or a short work within a longer work. Use the word “Map” or “Chart” following the title. Add the medium and, for an online source, the sponsor or publisher and the date of access.
