Texas Society for Music Theory – March 1, 2013

Figure 1. ic3,4 cycle with 4 possible non-adjacent operations.

Figure 2. ic3,4 cycle with pitch-class motion from Fw:Fw: Please Look. (a) tracks the lower voices and (b) tracks the upper voices. Circed numbers indicate measure numbers.

Example 1. mm. 12–20, Fw:Fw: Please Look

Example 2. mm. 40–52, Fw:Fw: Please Look
Missing Child,
Please look, then forward on...

I am asking you, begging
Please forward this email to everyone.
I have a daughter named Chelsea.
She has been missing since 4 PM.
If you know anything,
If you see anything,
If you hear anything, please.

Missing Child,
Please look, then forward on...

All prayers are appreciated.
